

## Important information on our holiday hours of operation

During our holiday closure from the 21st December 2024 to 6th January 2025 our clinic opening times and services will vary. See below dates for opening days.

On days we are open: Nurse available 9am - 4pm. Please leave a voicemail and the nurse will call you back during these hours. For appointment bookings and general enquiries you will receive a call back on the 6th January.

### Pathology Collection Services

Please check the Clinipath website for opening hours for Clinipath fertility tracking locations.

### Ultrasound Services

Monitoring ultrasounds will be available until Friday 20th December. Services will recommence Monday 6th January 2025.

### Andrology

Diagnostic services will be available up until and including Friday 20th December to complete pending testing and release results. If you require a SCIT (DNA fragmentation testing), appointments will be offered until Tuesday 17th December. Services will recommence from Monday 13th January 2025.

### PGT-A/M Reporting Times

The PGT team will be reporting results up until 24th December. Embryos not reported before COB on the 24th December will be reported when the PGT laboratory reopens on 13th January 2025.

If your embryo biopsy is completed in the week before Christmas it's possible the turnaround time will be increased and your results may be reported in a 3 to 4 week turnaround time instead of 2 to 3 weeks.

Please give the PGD team a call on 02 8484 7695 if you have any questions or concerns regarding results during the holiday period.
