Description	Unit price	Additional information
Sperm freeze – per collection	\$340	Includes a semen analysis. Storage fee of \$45 per month, processed monthly via direct debit using details registered.
Sperm freeze in addition to other testing	\$135	Storage of \$45 per month, processed monthly via direct debit using details registered.
Sperm freeze – medical	Price on appointment	Sperm freezing under certain medical circumstances may be eligible for a discount and Medicare rebate to minimise out-of-pocket expenses. Up to 2 collections may qualify. Please speak with andrology staff for more information.
Off site Micro TESE/MESA/PESE	\$1,605	This fee is payable in addition to the above MESA/TESE/PESE fees if the procedure is performed outside Genea facilities in the presence of a Genea scientist.
Monthly storage fee	\$45	Per month.

The above figures are an indication of the fees and out-of-pocket expenses you can expect. Costs are a guide only. Fees differ between clinics. Patients will be provided with a personalised quote prior to treatment.

Your particular circumstances (Medicare and health fund) will determine your actual costs and out-of-pocket expenses.

Fees current as at March 2024.

The above fees are subject to Genea price changes and Medicare rebate adjustments.

Please note, these prices are a guide only, and are subject to change.

For the most current version of Genea's fees, please visit our website: [genea.com.au](https://www.genea.com.au)

To make an appointment, please call (02) 9229 6445 or email doctorandrology@genea.com.au
