

## Important information on our holiday hours of operation

During our holiday closure from the 21st December 2024 to 13th January 2025 our clinic opening times and services will vary. From Monday 6th January hours return to business as usual at our East Melbourne Clinic. Our North Melbourne Clinic will reopen 13th January.

### Pathology Collection Services

Blood collection will be available until Friday 20th December at our North Melbourne and East Melbourne clinics and will restart Monday 6th January East Melbourne and Monday 13th January at North Melbourne.

### Ultrasound Services

Monitoring ultrasounds will be available until Friday 20th December. Services will recommence Monday 6th January 2025 at our East Melbourne clinic. North Melbourne clinic will open Monday 13th January 2025

### Andrology

Diagnostic services will be available up until and including Friday 20th December to complete pending testing and release results. If you require a SCIT (DNA fragmentation testing), appointments will be offered until Monday 16th December. Services will recommence from Monday 13th January 2025.

### PGT-A/M Reporting Times

The PGT team will be reporting results up until 24th December. Embryos not reported before COB on the 24th December will be reported when the PGT laboratory reopens on 13th January 2025.

If your embryo biopsy is completed in the week before Christmas it's possible the turnaround time will be increased and your results may be reported in a 3 to 4 week turnaround time instead of 2 to 3 weeks.

Please give the PGD team a call on 8484 7695 if you have any questions or concerns regarding results during the holiday period.
